Accommodation:

The Royal Clifton Hotel will give discounted rates if you say you are attending the wedding.

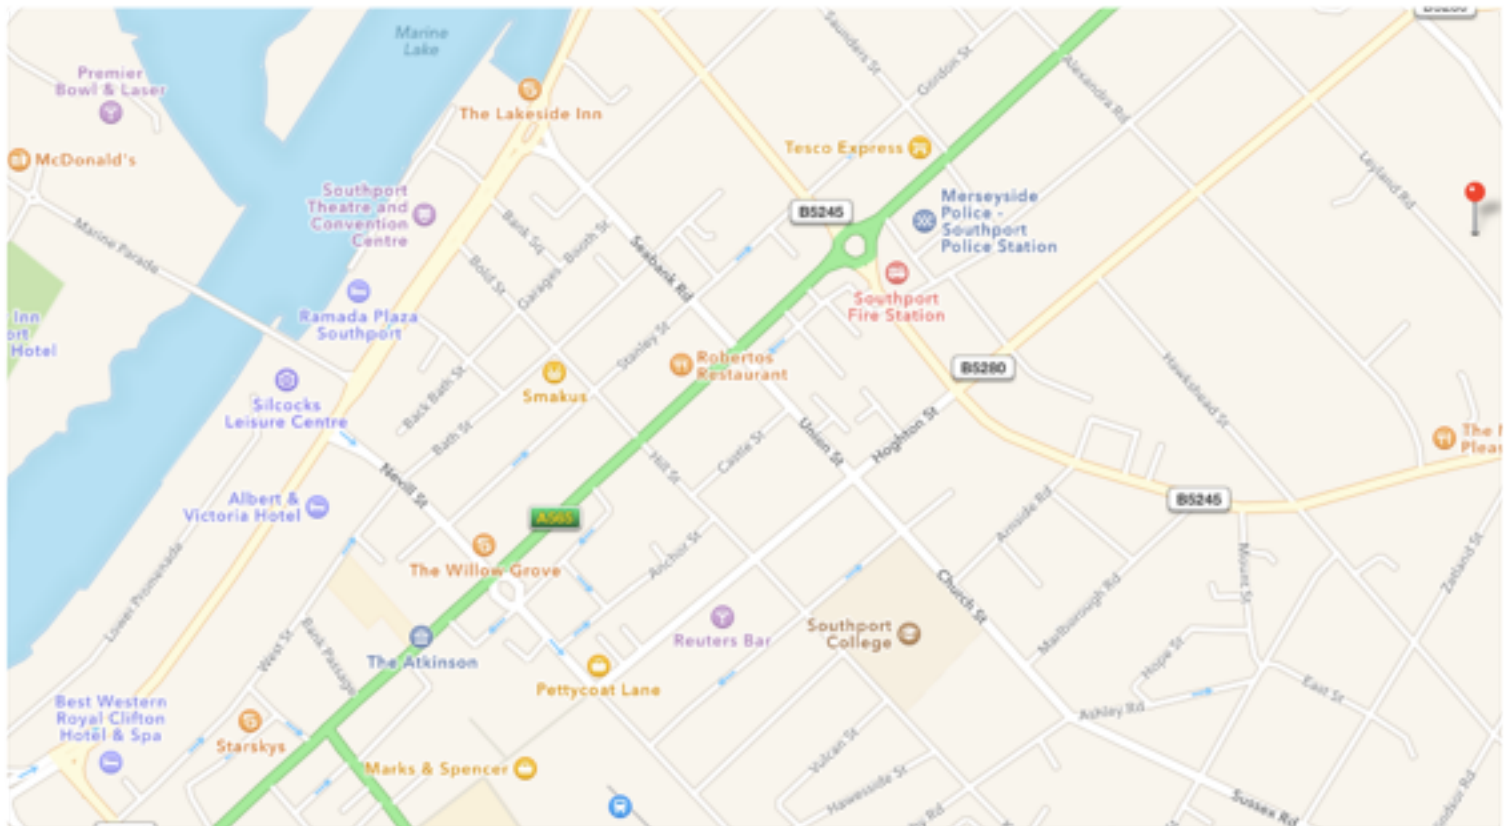

There are also plenty of other big hotels in the town centre (Scarisbrick Hotel, The Ramada, The Prince of Wales, The Vincent, The Bold Hotel, Premier Inn) and loads of B&Bs.

Stuff to do:

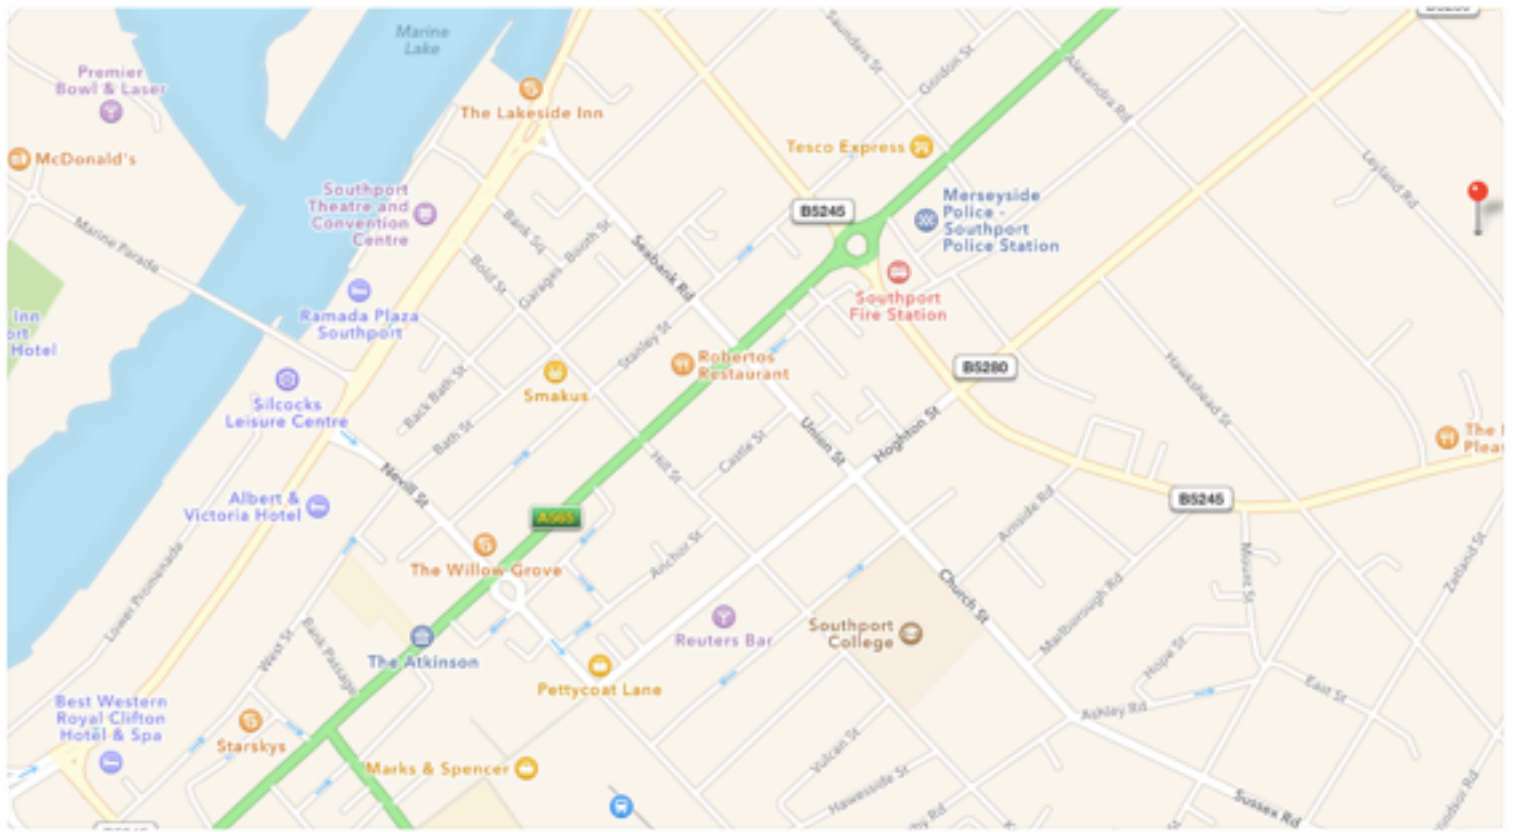

Southport is by the sea, and is therefore a slightly nicer version of Blackpool. There's always things to do in the summer!
